*for Middle/High School Students  
(30 or 60 second short films)*

### MARK RUFFALO, 2015 JUDGE:

"I was pleasantly surprised by these film makers and all the ways they chose to express themselves. From very high tech pans and low light photography to making a film on an iPhone, animation, pristine editing, moving interviews and personal stories were all used to great effect."

**Submit films, PSAs and learn more at [www.cleartheairfilmfest.org](http://www.cleartheairfilmfest.org)**
